

# ICTF 2026

20th International Conference on Thin Films

8-12 June 2026  
Biarritz, France  
[www.ictf2026.com](http://www.ictf2026.com)

## TUTORIALS PROGRAM

Monday 8 June 2026

- 08:30 *Registration*
- 09:00 **Thin film nucleation and growth**  
*K. Sarakinos, Univ. Helsinki (Finland)*
- 10:40 *Break (20')*
- 11:00 **Stress generation and evolution during thin film growth**  
*G. Abadias, Univ. Poitiers (France)*
- 12:40 *Lunch*
- 14:20 **Fundamentals of sputter deposition; control of microstructure evolution**  
*I. Petrov, Univ. Illinois, Urbana-Champaign (USA)*
- 16:20 *Break (20')*
- 16:40 **Thin films and surfaces: matter for innovation**  
*A. Galtayries, Chimie ParisTech (France)*
- 17:40 *End of tutorials*
- 18:30 **Welcome reception (until 20:00)**
